COLDWAR

Pure raw aggression.....if you don't have this yet I suggest you go out and get angry with these Dublin mentalists! - BorninBlood.com

Heavy as fuck and brutal as hell.....It doesn't get much heavier than this - [Metalcore fanzine](#)

A bruising and crushing death metal album from Ireland's very own sludge merchants - 8/10- [Powerplay Magazine](#)

Formed in Dublin, late 1999, Coldwar started life as a three piece band mixing equal parts Hardcore Punk and extreme Metal into an angry incendiary assault. Over the years the band have developed into a five piece, touring all over Ireland, the UK and have made several trips to Europe and the US supporting Anthrax, Hatebreed, Agnostic Front, Discharge, Exploited, Converge, GBH, Cephalic Carnage, Napalm Death amongst many others along the way. Coldwar have released two demos and three albums, including the just released album BLOODFIRE SUNSET, their heaviest and best offering to date.

Band members:
Trevor - Vocals
Skinny - Bass/vocals
Paul - Guitar
Bert - Guitar
Marty - Drums
